3. To elect directors of the Company to hold office for the ensuing year;
4. To consider, and if deemed appropriate, to pass, with or without variation, an ordinary resolution of disinterested shareholders of the Company approving the Company’s Equity Incentive Plan (the “**EIP**”) as more particularly described in the Company’s management information circular dated October 27, 2025 (the “**Circular**”); and
5. To transact such further or other business as may properly come before the meeting and any adjournments thereof.

The details of all matters proposed to be put before Shareholders at the Meeting are set forth in the Circular. At the Meeting, Shareholders will be asked to approve each of the foregoing items. The Board of Directors of the Company set October 24, 2025 as the record date for determining the Shareholders entitled to receive notice of and vote at the Meeting.

Late proxies may be accepted or rejected by the Chair of the Meeting at their discretion and the Chair of the Meeting is under no obligation to accept or reject any particular late proxy. The Chair of the Meeting may waive or extend the proxy cut-off without notice.

NOTICE-AND-ACCESS

The Company has elected to use the notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (the “**Notice-and-Access Provisions**”) for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to Shareholders by allowing the Company to post the Circular and any additional materials online.

Shareholders will still receive this Notice of Meeting and a form of proxy and may choose to receive a paper copy of the Circular. The Company will not use the procedure known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Circular to some shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Circular.

Please review the Circular carefully and in full prior to voting as the Circular has been prepared to help you make an informed decision on the matters to be acted upon. The Circular is available under the Company’s profile on SEDAR+ at www.sedarplus.ca and at: <https://Q2metals.com/investors/AGM>

Any Shareholder who wishes to receive a paper copy of the Circular should contact the Company at Suite 904, 409 Granville Street, Vancouver, British Columbia, Canada, or by toll-free telephone at 1-800-482-7560. Shareholders may also use the toll-free number to obtain additional information about the Notice-and-Access Provisions.

In order to ensure that a paper copy of the Circular can be delivered to a requesting Shareholder in time for such Shareholder to review the Circular and return a voting instruction form or proxy prior to the deadline, it is strongly suggested that a Shareholder ensure their request is received no later than November 25, 2025.

DATED this 27th day of October, 2025.

BY ORDER OF THE BOARD OF DIRECTORS

Alicia Milne

Chief Executive Officer, President & Director

MANAGEMENT INFORMATION CIRCULAR

(all information as at October 27, 2025 unless otherwise noted)

PERSONS MAKING THE SOLICITATION

This Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies being made by the management of **Q2 Metals Corp.** (the “**Company**” or “**Q2**”) for use at the Annual General Meeting (the “**Meeting**”) of the Company’s shareholders (the “**Shareholders**”) to be held on **December 9, 2025** at the time and place and for the purposes set forth in the accompanying Notice of Annual General Meeting (the “**Notice of Meeting**”) and is furnished in connection with a solicitation of proxies for use at that Meeting and at any adjournment thereof.

Unless otherwise stated, all amounts herein are in Canadian dollars.

GENERAL PROXY INFORMATION

Management Solicitation

The solicitation of proxies by the management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxies

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share of the Company (a “**Share**”) that such shareholder holds on the record date of **October 24, 2025** (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Odyssey Trust Company (the "**Transfer Agent**") at their offices located at Suite 350, 409 Granville Street, Vancouver, BC, V6C 1T2 (Attention: Proxy Department) by mail or fax, at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. The proxy can also be voted online at: <https://vote.odysseytrust.com>. The Control Number that is printed on the form of proxy is required to vote online. Alternatively, the completed form of proxy may be delivered to the chair of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing:

- (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and
- (b) delivered either:
 - (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or
 - (ii) to the chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or
 - (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or by the submission of a subsequent proxy in accordance with the foregoing procedures.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Proxies and Exercise of Discretion

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so as follows:

1. Online: please visit <https://vote.odysseytrust.com>. You will require the CONTROL NUMBER printed with your address to the right on your proxy form. If you vote by Internet, do not mail your proxy;
2. Email to proxy@odysseytrust.com;
3. Mail or personal delivery to Odyssey Trust Company, Attn: Proxy Department, Suite 702, 67 Yonge Street, Toronto, ON, M5E 1J8; or
4. By fax to Odyssey, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international).

In all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Vancouver, British Columbia) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The information set out in this section is of significant importance to those shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Circular as “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting.

If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered in the Shareholder’s name on the records of the Company. Such Shares will more likely be registered under the names of the Shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting.

The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting.

A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Shares voted at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote their Shares.

Beneficial Shareholders fall into two categories: those who object to their identity being made known to the issuers of securities which they own ("**Objecting Beneficial Owners**" or "**OBOs**") and those who do not object to their identity being made known to the issuers of the securities they own ("**Non-Objecting Beneficial Owners**" or "**NOBOs**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from intermediaries. Pursuant to NI 54-101, issuers may obtain and use the NOBO list in connection with any matter relating to the affairs of the issuer, including the distribution of proxy-related materials directly to NOBOs. The Corporation is sending meeting materials directly to the NOBOs. The Corporation does not intend to pay for intermediaries to deliver the meeting materials to the OBOs. As more particularly outlined under the heading "Notice-and-Access", meeting materials will be sent to Beneficial Shareholders using the "notice and access" process under National Instrument 54-101.

Notice to Shareholders in the United States

The solicitation of proxies involve securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the province of British Columbia and the securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934, as amended*, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue

a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

NOTICE & ACCESS

The Company is utilizing the “notice and access” process under National Instrument 54-101, and National Instrument 51-102, Continuous Disclosure Obligations, for distribution of this Circular and other meeting materials to Registered Shareholders and Beneficial Shareholders.

Notice and Access allows issuers to post electronic versions of meeting materials, including circulars, form of proxy, annual financial statements and management discussion and analysis online, via SEDAR+ and one other website, rather than mailing paper copies of such meeting materials to shareholders. The Company anticipates that utilizing the Notice and Access process will substantially reduce both postage and printing costs and will promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials.

The Company has posted the Circular, Notice of Meeting, Form of Proxy, the Company’s financial statements and management discussion and analysis for the year ended February 28, 2025 online at www.sedarplus.ca under the Company’s profile as well as at <https://Q2metals.com/investors/agm>

Advance Notice Policy for Nominations of Directors: The Company's articles were altered in 2023 to include an advance notice provision (the "**Advance Notice Provision**"), which provides Shareholders, directors and management of the Company with direction on the procedure for Shareholder nomination of directors. The Advance Notice Provision is the framework by which the Company seeks to fix a deadline by which holders of record of Shares must submit director nominations to the Company prior to any annual or special meeting of Shareholders and sets forth the information that a Shareholder must include in the notice to the Company for the notice to be in proper written form. A copy of the Company's articles which include the Advance Notice Provision can be found under the Company's issuer profile on SEDAR+ at www.sedarplus.ca.

No director nominations have been made by the Shareholders in connection with the Meeting under the terms of the Advance Notice Provision as at the date hereof.

Orders: No proposed director of the Company is, or within the 10 years before the date of this Circular has been, a director, chief executive officer or chief financial officer of any company that:

- (a) was subject to an order that was issued while the proposed director was acting in the capacity of director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity of director, chief executive officer or chief financial officer.

For the purposes of the above, "order" means a cease trade order, an order similar to a cease trade order; or an order that denied the relevant company access to any exemption and securities legislation, that was in effect for a period of more than 30 consecutive days.

Bankruptcies: No proposed director of the Company is, or was, within the 10 years before the date of this Circular,

a director or an executive officer of any company that, while the person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets. No proposed director of the Company has, within the 10 years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Penalties or Sanctions: No proposed director has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority, or has entered into a settlement agreement with respect to same; or any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to reasonable Shareholders in deciding whether to vote for a proposed director.

In the absence of instructions to the contrary, the enclosed form of proxy will be voted FOR the nominees listed in the form of proxy, all of whom are presently members of the Board.

3. Approval of Equity Incentive Plan

The Company maintains an Equity Incentive Plan (“EIP”), which was last approved by Shareholders at a meeting held on November 27, 2024, which is composed of (i) a 10% “rolling” plan that provides for the issuance of up to 10% of the issued and outstanding Shares of the Company in respect of aggregate stock options (“Options”) granted thereunder, calculated as of the date of grant and (ii) a 10% “fixed” plan which provides for the issuance of up to 13,041,422 Shares in respect of aggregate Performance Based Awards, other than stock options, to be granted thereunder.

Performance-Based Awards consist of restricted share units (“RSUs”), performance share units (“PSUs”) and deferred share units (“DSUs”)(and together with Options, the “Awards” or “Compensation Securities”).

The TSX Venture Exchange (“TSXV”) requires that all listed companies with a 10% rolling equity incentive plan obtain annual shareholder approval, by ordinary resolution, of such a plan. Following annual review by the TSXV, the EIP was amended to include that, in addition to any resale restrictions under applicable legislation or regulation, all Awards granted under the EIP and all Shares issued on exercise or conversion of such Awards, are subject to a four month TSXV hold period from the date the Awards are granted.

The Board has full authority to administer the EIP, including the authority to interpret and construe any provision of the EIP and to adopt, amend and rescind such rules and regulations for administering the EIP as the Board may deem necessary in order to comply with the requirements of the EIP, subject to the terms of the EIP and the rules of the TSXV. The EIP is subject to the approval of disinterested shareholders and the approval of the TSXV.

The purpose of the EIP is to promote the long-term success of the Company and the creation of Shareholder value by: (a) encouraging the attraction and retention of eligible persons under the EIP; (b) encouraging such eligible persons to focus on critical long-term objectives; and (c) promoting greater alignment of the interests of such eligible persons with the interests of the Company. To this end, the EIP provides for the grant Awards to bona fide officers, directors, employees, management company employees and Consultants of the Company or any of its subsidiaries (“Eligible Persons”). The extent to which any Eligible Person is entitled to receive a grant of an award pursuant to the EIP will be determined in the sole and absolute discretion of the Board. Each Eligible Person who receives a grant under the EIP is referred to as a “Participant”.

The EIP is considered an “evergreen” plan, as Shares that are the subject of any Award made under the EIP that have been settled in cash, or that have been cancelled, terminated, surrendered, forfeited or have expired without being exercised, and pursuant to which no securities have been issued, may continue to be issuable under the EIP.

Shareholders are referred to the full text of the EIP, a copy of which is attached as Schedule B to this Circular.

Approval of the EIP

Shareholders will be asked at the Meeting to vote on an ordinary resolution of disinterested shareholders to approve the EIP. An aggregate of 8,809,992 Shares held by insiders of the Company will be excluded from voting for this resolution as required by the policies of the TSXV.

At the Meeting, shareholders will be asked to vote on the following resolution, with or without variation:

1. The EIP be and is hereby confirmed, ratified, affirmed and approved until the next annual general meeting of the Company;
2. The EIP may be amended in order to satisfy the requirements or requests of any regulatory authorities or stock exchange without requiring further approval of the shareholders of the Company;
3. Any one director or officer of the Company is hereby authorized and directed for and on behalf of the Company to execute or cause to be executed and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as such director or officer may deem necessary or desirable in connection with the foregoing resolution."

Management recommends that shareholders vote FOR the resolution approving the EIP. In the absence of a contrary instruction, the persons designated by management of the Company in the enclosed form of proxy intend to vote FOR the resolution approving the EIP as set out above.

STATEMENT OF EXECUTIVE COMPENSATION

For the purpose of this Circular:

Exercise of Compensation Securities by Directors and NEOs

No Options were exercised during the year ended February 28, 2025 by Directors or NEOs.

Stock Option Plans and Other Incentive Plans

The Company maintains the EIP which provides that Awards of Options, RSUs, PSUs and DSUs may be made to Eligible Persons.

Summary of Awards

A summary of the types of Awards is described below, which are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Board, in its sole discretion, subject to such limitations provided in the EIP and will generally be evidenced by an award agreement.

Options

Each Option entitles a holder thereof to purchase one Share at an exercise price determined by the Board at the time of the grant of the Option, provided that the exercise price of an Option granted under the EIP shall not be less than the Discounted Market Price (as defined in the policies of the TSX-V).

Each Option shall, unless sooner terminated, expire on a date to be determined by the Board which will not exceed ten (10) years from the Grant Date (as defined below). Options granted to a Participant shall vest as determined by the Board on the Grant Date of such Options. If the Board does not specify a vesting schedule at the Grant Date, then Options granted to persons, other than those conducting Investor Relations Activities, shall vest fully on the Grant Date, and in any event in accordance with the policies of the TSX-V. Options issued to Persons conducting Investor Relations Activities must vest (and shall not otherwise be exercisable) in stages over a minimum of 12 months such that: (a) no more than 1/4 of the Options vest no sooner than three months after the Grant Date; (b) no more than another 1/4 of the Options vest no sooner than six months after the Grant Date; (c) no more than another 1/4 of the Options vest no sooner than nine months after the Grant Date; and (d) the remainder of the Options vest no sooner than 12 months after the Grant Date.

The EIP states that the exercise price of an Option should be paid in cash, however, "Cashless Exercise" may be effected when the Company has an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to a Participant to purchase the Shares underlying her, his or its Options, with the brokerage firm then selling a sufficient number of Shares to cover the exercise price of the Options in order to repay the loan made to the Participant. Upon such a Cashless Exercise, the brokerage firm involved receives a number of Shares from the exercise of a Participant's Options to repay the loan so provided, and the Participant receives the balance of Shares or the cash proceeds from the balance of such Shares.

Restricted Share Units

A RSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive for no additional cash consideration, securities of the Company upon specified vesting criteria being satisfied, and subject to the terms and conditions of the EIP and the applicable award agreement, and which may be paid in cash and/or Shares. Subject to the provisions of the EIP, the Board may, from time to time, grant RSUs to Eligible Persons. The number of RSUs to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with the EIP. Each RSU shall, contingent upon the lapse of any restrictions, represent one Share. All RSUs will vest and become payable by the issuance of Shares or a cash payment at the end of the restriction period if all applicable restrictions have lapsed, as such restrictions may be specified in the award agreement.

RSUs shall be subject to such restrictions as the Board, in its sole discretion, may establish in the applicable award agreement, which restrictions may lapse separately or in combination at such time or times and on such terms, conditions and satisfaction of objectives as the Board may, in its discretion, determine at the time a RSU is granted. The Board shall determine any vesting terms applicable to the grant of RSUs, however, no RSUs may vest before the date that is one (1) year following the date of the award.

As soon as practicable after each vesting date of a RSU, the Company shall, at the sole discretion of the Board,

either: (a) issue to the Participant from treasury the number of Shares equal to the number of RSUs that have vested; or (b) make a cash payment in an amount equal to the Market Unit Price (as defined in the EIP) on the next trading day after the vesting date of the RSUs, net of applicable withholdings.

Performance Share Units

A PSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company upon specified performance and vesting criteria being satisfied, subject to the terms and conditions of the EIP and the applicable award agreement, and which may be paid in cash and/or Shares. Subject to the provisions of the EIP and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of PSUs to Eligible Persons. The number of PSUs to be awarded to any Participant shall be determined by the Board, in its sole discretion, in accordance with the EIP. Each PSU shall, contingent upon the attainment of the performance criteria within the performance cycle, represent one Share.

The Board will select, settle and determine the performance criteria (including without limitation the attainment thereof), for purposes of the vesting of the PSUs, in its sole discretion. An award agreement may provide the Board with the right to revise the performance criteria and the award amounts if unforeseen events (including, without limitation, changes in capitalization, an equity restructuring, an acquisition or a divestiture) occur which have a substantial effect on the financial results and which in the sole judgment of the Board make the application of the performance criteria unfair unless a revision is made.

All PSUs will vest and become payable to the extent that the performance criteria set forth in the award agreement are satisfied in the performance cycle, the determination of which satisfaction shall be made by the Board on the determination date. No PSU may vest before the date that is one year following the date of the award.

Payment to Participants in respect of vested PSUs shall be made after the determination date for the applicable award and in any case within ninety-five (95) days after the last day of the performance cycle to which such award relates. The Company shall, at the sole discretion of the Board, either: (a) issue to the Participant the number of Shares equal to the number of PSUs that have vested on the determination date; or (b) make a cash payment in an amount equal to the Market Unit Price on the next trading day after the determination date of the PSUs that have vested, net of applicable withholdings.

Deferred Share Units

A DSU is a right granted to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company on a deferred basis upon specified vesting criteria being satisfied, subject to the terms and conditions of the EIP and the applicable award agreement, and which may be paid in cash and/or Shares.

Subject to the provisions of the EIP and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of DSUs to directors in lieu of fees (including annual Board retainers, chair fees, meeting attendance fees or any other fees payable to a director) or to other Eligible Persons as compensation for employment or consulting services. The number of DSUs to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with the EIP and specified in the applicable Award Agreement. Each director may elect to receive any or all of their fees in DSUs under the EIP.

The number of DSUs shall be calculated by dividing the amount of fees selected by a director by the Market Unit Price on the Grant Date (or such other price as required under the Policies of the Exchange) which shall be the 10th business day following each financial quarter end. Any fractional DSU shall be rounded down and no payment or other adjustment will be made with respect to the fractional DSU. No DSUs may vest before the date that is one year following the date of the award of the DSU.

Each Participant shall be entitled to receive, after the effective date that the Participant ceases to be an Eligible Person for any reason, on a day designated by the Participant and communicated to the Company by the

Participant in writing at least fifteen (15) days prior to the designated day (or such earlier date after the Participant ceases to be an Eligible Person as the Participant and the Company may agree, which date shall be no later than one year after the date upon which the Participant ceases to be an Eligible Person) and if no such notice is given, then on the first anniversary of the effective date that the Participant ceases to be an Eligible Person, at the sole discretion of the Board, either: (a) that number of Shares equal to the number of vested DSUs credited to the Participant's account, such Shares to be issued from treasury of the Company; or (b) a cash payment in an amount equal to the Market Unit Price on the next trading day after the Participant ceases to be an Eligible Person of the vested DSUs, net of applicable withholdings.

Acceleration and Termination Provisions

If the award agreement for the grant of an Option, RSU or PSU so provides, in the event of a Change of Control (as defined in the EIP), all Options, RSUs or PSUs granted to a Participant that ceases to be an Eligible Person shall become fully vested and, as applicable, shall become exercisable by the Participant in accordance with the terms of such award agreement and the EIP. No acceleration of the vesting of any Options issued to persons conducting Investor Relations Activities shall be permitted without prior Exchange review and acceptance. Upon death of a Participant holding DSUs that have vested, the Participant's estate shall be entitled to receive, within 120 days after the Participant's death and at the sole discretion of the Board, a cash payment or Shares that would have otherwise been payable in accordance with the EIP to the Participant upon such Participant ceasing to be an Eligible Person.

Other than as may be set forth in the applicable award agreement and the EIP, upon the death of a Participant, any Options, RSUs or PSUs granted to such Participant which, prior to the Participant's death, have not vested, will immediately terminate. Any Options, RSUs or PSUs granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant's estate in accordance with EIP and, in the case of Options, may be exercised by the Participant's estate within one year of the death of the Participant.

Where a Participant's relationship with the Company is terminated for cause, all Options, RSUs or PSUs granted to the Participant under the EIP will immediately terminate.

Where a Participant's relationship with the Company terminates by reason of termination without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, such that the Participant no longer qualifies as an Eligible Person, all Options, RSUs or PSUs granted to the Participant under the EIP that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate. Notwithstanding the foregoing, that any Options, RSUs or PSUs granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or retirement, had vested pursuant to the terms of the applicable award agreement, will: (a) in the case of Options, accrue to the Participant in accordance with the EIP and shall be exercisable by such Participant for a period of 90 days following the date the Participant ceased to be an Eligible Person, or such longer period as may be provided for in the award agreement or as may be determined by the Board provided such period does not exceed 12 months after the termination date; (b) in the case of RSUs will accrue to the Participant in accordance with the EIP; and (c) in the case of PSUs, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed with the PSUs that the Board determines to have vested to become payable in accordance with the EIP.

Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an Eligible Person, all Options granted to the Participant under this EIP that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate. Notwithstanding the foregoing, that any Options, RSUs or PSUs granted to such Participant which, prior to the termination of the Participant's relationship with the Company due to disability, had vested pursuant to the terms of the applicable award agreement, will: (a) in the case of Options, accrue to the Participant in accordance with the EIP and shall be exercisable by such Participant for a period of 90 days following the date the Participant ceased to be an Eligible Person, or such longer period as may be provided for in the award agreement or as may be determined

by the Board provided such period does not exceed 12 months after the termination date; (b) in the case of RSUs will accrue to the Participant in accordance with the EIP; and (c) in the case of PSUs, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed with the PSUs that the Board determines to have vested to become payable in accordance with the EIP.

Participation Limits

The EIP provides that, so long as it may be required by the rules and Policies of the Exchange:

- (a) unless the Company has obtained disinterested Shareholder approval, the maximum aggregate number of Shares issuable to any Participant (as defined in the EIP) under the EIP, within any 12 month period, shall not exceed five (5%) percent of the issued and outstanding Shares (calculated as at the date specified by the Board as the grant date at the time it granted the Option or Performance-Based Award or, if no such date was specified, the date upon which the Option or Performance-Based Award was actually granted (the "Grant Date"));
- (b) unless the Company has obtained disinterested Shareholder approval, the maximum aggregate number of Shares issuable to Insiders (as defined in the EIP) under the EIP, within any 12 month period, shall not exceed ten (10%) percent of the issued and outstanding Shares (calculated as at the Grant Date);
- (c) unless the Company has obtained disinterested Shareholder approval, the maximum aggregate number of Shares issuable to Insiders under the EIP, at any point in time, shall not exceed ten (10%) percent of the issued and outstanding Shares;
- (d) the maximum aggregate number of Shares issuable to any one Consultant (as defined in the EIP) under the EIP, within any 12 month period, shall not exceed two (2%) percent of the issued and outstanding Shares (calculated as at the Grant Date); and
- (e) the maximum aggregate number of Shares issuable pursuant to grants of Options to all investor relation service providers performing Investor Relations Activities (as defined in the EIP) under the EIP, within any 12 month period, shall not in aggregate exceed two (2%) percent of the issued and outstanding Shares (calculated as at the Grant Date). For the avoidance of doubt, persons performing Investor Relations Activities are only eligible to receive Options under the EIP; they are not eligible to receive any Performance-Based Award or other type of securities-based compensation under the EIP.

For further particulars on the EIP, please see "*Approval of Amendments to Equity Incentive Plan*". The information in this Circular is intended as a brief description of the EIP and is qualified in its entirety by the full text of the EIP, a copy of which is attached as Schedule B to this Circular, for complete details.

The compensation of the NEOs and directors is recommended for approval to the Board of Directors of the Company. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

The Company currently has a short-term compensation component in place, which may include the accrual and/or payment of management fees to certain NEOs, and a long-term compensation component in place, consisting of the grant of stock options under the Equity Incentive Plan. The Company intends to further develop these compensation components. The Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Company and the position of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium-term compensation component.

SECTION 3 ADMINISTRATION

3.1 Board to Administer Plan

Except as otherwise provided herein, this Plan shall be administered by the Board of the Company (and, for clarity, not by the Board of any subsidiary of the Company) and the Board of the Company shall have full authority to administer this Plan, including the authority to interpret and construe any provision of this Plan and to adopt, amend and rescind such rules and regulations for administering this Plan as the Board of the Company may deem necessary in order to comply with the requirements of this Plan.

3.2 Delegation to Committee

All of the powers exercisable hereunder by the Board may, to the extent permitted by applicable law and as determined by resolution of the Board, be delegated to and exercised by such committee as the Board may determine.

3.3 Interpretation

All actions taken and all interpretations and determinations made or approved by the Board in good faith shall be final and conclusive and shall be binding on the Participants and the Company.

3.4 No Liability

No Director shall be personally liable for any action taken or determination or interpretation made or approved in good faith in connection with this Plan and the Directors shall, in addition to their rights as Directors, be fully protected, indemnified and held harmless by the Company with respect to any such action

taken or determination or interpretation made. The appropriate officers of the Company are hereby authorized and empowered to do all things and execute and deliver all instruments, undertakings and applications and writings as they, in their absolute discretion, consider necessary for the implementation of this Plan and of the rules and regulations established for administering this Plan. All costs incurred in connection with this Plan shall be for the account of the Company.

SECTION 4

SHARES AVAILABLE FOR AWARDS

4.1 Limitations on Shares Available for Issuance

- (a) The aggregate number of Shares issuable under this Plan in respect of:
 - (i) Options shall not exceed ten percent (10%) of the issued and outstanding Shares of the Company at any point in time;
 - (ii) Performance-Based Awards shall not exceed 13,041,422 (the “**PBA Limit**”), and Shares issued in respect of exercise or settlement of Performance-Based Awards shall not be available for grant again under the Plan unless the Company receives the requisite shareholder approval and approval of the Exchange.
- (b) So long as it may be required by the rules and policies of the Exchange:
 - (i) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to any Participant under this Plan, within any twelve (12) month period, shall not exceed five percent (5%) of the issued and outstanding Shares (calculated on the Grant Date);
 - (ii) unless the Company has obtained disinterested shareholder approval, the maximum aggregate total number of Shares issuable to Insiders under this Plan, within any twelve (12) month period, shall not exceed ten percent (10%) of the issued and outstanding Shares (calculated as at the Grant Date);
 - (iii) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to Insiders under this Plan, at any point in time, shall not exceed ten percent (10%) of the issued and outstanding Shares;
 - (iv) the maximum aggregate number of Shares issuable to any one Consultant within any twelve (12) month period shall not exceed two percent (2%) of the issued and outstanding Shares calculated as at the Grant Date; and

For the avoidance of doubt, Persons performing Investor Relations Activities are only eligible to receive Options under this Plan; they are not eligible to receive any Performance-Based Award or other type of securities-based compensation under this Plan.

4.2 Accounting for Awards

For purposes of this Section 4:

- (a) if an Award is denominated in Shares, the number of Shares covered by such Award, or to which such Award relates, shall be counted on the Grant Date of such Award against the aggregate number of Shares available for granting Awards under this Plan; and

- (b) notwithstanding anything herein to the contrary, any Shares related to Awards which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such Shares, or are exchanged with the Board's permission, prior to the issuance of Shares, for Awards not involving Shares, shall be available again for granting Awards under this Plan.

4.3 Anti-Dilution

If the number of outstanding Shares is increased or decreased as a result of a stock split, consolidation or recapitalization and not as a result of the issuance of Shares for additional consideration or by way of stock dividend, the Board may, subject to the prior acceptance of the Exchange in the case of a recapitalization, make appropriate adjustments to the number and price (or other basis upon which an Award is measured) of Options, RSUs, PSUs or DSUs credited to a Participant. Any determinations by the Board as to the required adjustments shall be made in its sole discretion and all such adjustments shall be conclusive and binding for all purposes under this Plan.

4.4 Hold Period

In addition to any resale restrictions under applicable legislation or regulation, all Awards granted hereunder and all Shares issued on the exercise or conversion of such Awards, as applicable, will, if applicable under the policies of the Exchange, be subject to a four month TSX Venture Exchange hold period from the date the Awards are granted, and the Award Agreements and the certificates representing such Shares will bear the following legend:

"Without prior written approval of the Exchange and compliance with all applicable securities legislation, the securities represented by this certificate may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of the TSX Venture Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until [insert date]."

SECTION 5 AWARDS

5.1 Options

- (a) Eligibility and Participation - Subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant Awards of Options to Eligible Persons. Options granted to an Eligible Person shall be credited, as of the Grant Date, to the Participant's Account. The number of Options to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with this Plan. Each Option shall, contingent upon the lapse of any restrictions, represent one (1) Share. The number of Options granted pursuant to an Award shall be specified in the applicable Award Agreement.
- (b) Exercise Price - The exercise price of an Option granted under this Plan shall not be less than the Discounted Market Price, provided that if an Option is proposed to be granted by the Company immediately after it has been recalled for trading following a suspension or halt, the Company must wait at least ten (10) Trading Days following the day on which trading in the Company's securities resumes before setting the exercise price for and granting the Option.
- (c) Expiry Date - Each Option shall, unless sooner terminated, expire on a date to be determined by the Board which will not exceed ten (10) years from the Grant Date.
- (d) Different Exercise Periods, Prices and Number - The Board may, in its absolute discretion, upon granting Options under this Plan, specify different time periods following the dates of granting the Options during which the Participant may exercise their Options to purchase Shares and may

designate different exercise prices and numbers of Shares in respect of which each Participant may exercise his option during each respective time period.

- (e) Vesting - Subject to the discretion of the Board, the Options granted to a Participant under this Plan shall vest as determined by the Board on the Grant Date of such Options. If the Board does not specify a vesting schedule at the Grant Date, then Options granted to persons other than those conducting Investor Relations Activities shall vest fully on the Grant Date, and in any event in accordance with the policies of the Exchange. Options issued to Persons conducting Investor Relations Activities must vest (and shall not otherwise be exercisable) in stages over a minimum of twelve (12) months such that:
 - (i) no more than 1/4 of the Options vest no sooner than three months after the Grant Date;
 - (ii) no more than another 1/4 of the Options vest no sooner than six months after the Grant Date;
 - (iii) no more than another 1/4 of the Options vest no sooner than nine months after the Grant Date; and
 - (iv) the remainder of the Options vest no sooner than 12 months after the Grant Date.
- (f) Change of Control – If the Award Agreement so provides, in the event of a Change of Control, all Options granted to a Participant who ceases to be an Eligible Person shall become fully vested in such Participant and shall become exercisable by the Participant in accordance with the terms of the Award Agreement and Section 5.1(k) hereof. If the Participant provides Investor Relations Activities, no acceleration of the vesting of any Options shall be permitted without prior Exchange review and acceptance.
- (g) Death - Other than as may be set forth in the applicable Award Agreement, upon the death of a Participant, any Options granted to such Participant which, prior to the Participant's death, have not vested, will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any Options granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant's estate in accordance with Section 5.1(k) hereof.
- (h) Termination of Participant's Relationship with the Company
 - (i) Where a Participant's relationship with the Company is terminated by the Company or a Subsidiary for cause, all Options granted to the Participant under this Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date.
 - (ii) Where a Participant's relationship with the Company terminates by reason of termination by the Company or a Subsidiary without cause, by voluntary termination, voluntary resignation or due to Retirement by the Participant, such that the Participant no longer qualifies as an Eligible Person, all Options granted to the Participant under this Plan that have not vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date; *provided, however*, that any Options granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or Retirement, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant in accordance with Section 5.1(k) hereof and shall be exercisable by such Participant for a period of 90 days following the date the Participant ceased to be an Eligible Person, or such longer period as may be provided for in the Award Agreement or as may be

determined by the Board, provided such period does not exceed twelve (12) months after the Termination Date.

- (iii) Upon termination of a Participant's relationship with the Company or a Subsidiary such that the Participant no longer qualifies as an Eligible Person, the Participant's eligibility to receive further grants of Awards of Options under this Plan shall cease as of the Termination Date.
- (i) Disability - Where a Participant becomes afflicted by a Disability, all Options granted to the Participant under this Plan will continue to vest in accordance with the terms of such Options; *provided, however*, that no Options may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to Disability such that the Participant ceases to be an Eligible Person, all Options granted to the Participant under this Plan that have not vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date; *provided, however*, that any Options granted to such Participant which, prior to the termination of the Participant's relationship with the Company due to Disability, had vested pursuant to terms of the applicable Award Agreement, will accrue to the Participant in accordance with Section 5.1(k) hereof and shall be exercisable by such Participant for a period of 90 days following the date the Termination Date, or such longer period as may be provided for in the Award Agreement or as may be determined by the Board, provided such period does not exceed twelve (12) months after the Termination Date.
- (j) Notice - Options shall be exercised only in accordance with the terms and conditions of the Award Agreements under which they are respectively granted and shall be exercisable only by notice in writing to the Company at its principal place of business.
- (k) Payment of Award - Subject to any vesting or other limitations described in each individual Award Agreement, Options may be exercised in whole or in part at any time prior to their lapse or termination or, by the Participant, if Section 5.1(g) applies, by the Participant's estate within one year of the death of the Participant, into such number of Shares equal to the number of Options credited to the Participant's Account that become exercisable on the Vesting Date. Shares purchased by a Participant on exercise of an Option shall be paid for in full at the time of their purchase (i.e. concurrently with the giving of the requisite notice).
- (l) Cashless Exercise - The exercise price of an Option should be paid in cash, however, "Cashless Exercise" may be effected when the Company has an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to a Participant to purchase the Shares underlying her, his or its Options, with the brokerage firm then selling a sufficient number of Shares to cover the Exercise Price of the Options in order to repay the loan made to the Participant. Upon such a Cashless Exercise, the brokerage firm involved receives a number of Shares from the exercise of a Participant's Options to repay the loan so provided, and the Participant receives the balance of Shares or the cash proceeds from the balance of such Shares.

5.2 Restricted Share Units

- (a) Eligibility and Participation - Subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant Awards of Restricted Share Units to Eligible Persons that do not perform Investor Relations Activities. Restricted Share Units granted to a Participant shall be credited, as of the Grant Date, to the Participant's Account. The number of Restricted Share Units to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with this Plan. Each Restricted Share Unit shall, contingent upon the lapse of any restrictions, represent one (1) Share. The number of Restricted Share Units granted pursuant to an Award and the Restriction Period in respect of such Restricted Share Units shall be specified in the applicable Award Agreement.

- (b) Restrictions - Restricted Share Units shall be subject to such restrictions as the Board, in its sole discretion, may establish in the applicable Award Agreement, which restrictions may lapse separately or in combination at such time or times and on such terms, conditions and satisfaction of objectives as the Board may, in its discretion, determine at the time an Award is granted.
- (c) Vesting - All Restricted Share Units will vest and become payable by the issuance of Shares at the end of the Restriction Period if all applicable restrictions have lapsed, as such restrictions may be specified in the Award Agreement. No Restricted Share Units may vest before the date that is one year following the date of the Award.
- (d) Change of Control – If the Award Agreement so provides, in the event of a Change of Control and the Participant ceases to be an Eligible Person, all restrictions upon any Restricted Share Units shall lapse immediately and all such Restricted Share Units shall become fully vested in the Participant and will accrue to the Participant in accordance with Section 5.2(h) hereof.
- (e) Death - Other than as may be set forth in the applicable Award Agreement, upon the death of a Participant, any Restricted Share Units granted to such Participant which, prior to the Participant's death, have not vested, will be immediately and automatically forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any Restricted Share Units granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant's estate in accordance with Section 5.2(h) hereof.
- (f) Termination of a Participant's Relationship with the Company
 - (i) Where a Participant's relationship with the Company is terminated by the Company or a Subsidiary for cause, all Restricted Share Units granted to the Participant under this Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date.
 - (ii) Where a Participant's relationship with the Company terminates by reason of termination by the Company or a Subsidiary without cause, by voluntary termination, voluntary resignation or due to Retirement by the Participant, all Restricted Share Units granted to the Participant under this Plan that have not vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date and the Participant shall have no right, title or interest therein whatsoever; *provided, however*, that any Restricted Share Units granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or Retirement, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant in accordance with Section 5.2(h) hereof.
 - (iii) Upon termination of a Participant's relationship with the Company or a Subsidiary such that the Participant no longer qualifies as an Eligible Person, the Participant's eligibility to receive further grants of Awards of Restricted Share Units under this Plan shall cease as of the Termination Date.
- (g) Disability - Where a Participant becomes afflicted by a Disability, all Restricted Share Units granted to the Participant under this Plan will continue to vest in accordance with the terms of such Restricted Share Units; *provided, however*, that no Restricted Share Units may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to Disability such that the Participant ceases to be an Eligible Person, all Restricted Share Units granted to the Participant under this Plan that have not vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date and the Participant shall have

no right, title or interest therein whatsoever; *provided, however*, that any Restricted Share Units granted to such Participant which, prior to the Participant's termination due to Disability, had vested pursuant to terms of the applicable Award Agreement will accrue to the Participant in accordance with Section 5.2(h) hereof.

- (h) Payment of Award - As soon as practicable after each Vesting Date of an Award of Restricted Share Units, the Company shall, at the sole discretion of the Board, either:
- (i) issue to the Participant, or if Section 5.2(e) applies, to the Participant's estate, from treasury the number of Shares equal to the number of Restricted Share Units credited to the Participant's Account that have vested and become payable on the Vesting Date; or
 - (ii) make a cash payment in an amount equal to the Market Unit Price on the next Trading Day after the Vesting Date of the Restricted Share Units credited to a Participant's Account that have vested and become payable, net of applicable withholdings.

As of the Vesting Date, the Restricted Share Units in respect of which such Shares are issued or cash payment made shall be cancelled and no further payments shall be made to the Participant under this Plan in relation to such Restricted Share Units.

5.3 Performance Share Units

- (a) Eligibility and Participation - Subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant Awards of Performance Share Units to Eligible Persons that do not perform Investor Relations Activities. Performance Share Units granted to a Participant shall be credited, as of the Grant Date, to the Participant's Account. The number of Performance Share Units to be credited to each Participant shall be determined by the Board, in its sole discretion, in accordance with this Plan. Each Performance Share Unit shall, contingent upon the attainment of the Performance Criteria within the Performance Cycle, represent one (1) Share. The number of Performance Share Units granted pursuant to an Award, the Performance Criteria which must be satisfied in order for the Performance Share Units to vest and the Performance Cycle in respect of such Performance Share Units shall be specified in the applicable Award Agreement. No Performance Share Units may vest before the date that is one year following the date of the Award.
- (b) Performance Criteria - The Board will select, settle and determine the Performance Criteria (including without limitation the attainment thereof), for purposes of the vesting of the Performance Share Units, in its sole discretion. An Award Agreement may provide the Board with the right, during a Performance Cycle or after it has ended, to revise the Performance Criteria and the Award amounts if unforeseen events (including, without limitation, changes in capitalization, an equity restructuring, an acquisition or a divestiture) occur which have a substantial effect on the financial results and which in the sole judgment of the Board make the application of the Performance Criteria unfair unless a revision is made. Notices will be provided by the Company to applicable regulatory authorities or stock exchanges as may be required with respect to the foregoing.
- (c) Vesting - All Performance Share Units will vest and become payable to the extent that the Performance Criteria set forth in the Award Agreement are satisfied for the Performance Cycle, the determination of which satisfaction shall be made by the Board on the Determination Date. No Performance Share Units may vest before the date that is one year following the date of the Award.
- (d) Change of Control - If the Award Agreement so provides, in the event of a Change of Control and the Participant ceases to be an Eligible Person, all Performance Share Units granted to a Participant shall become fully vested in such Participant (without regard to the attainment of any Performance Criteria) and shall become payable to the Participant in accordance with Section 5.3(h) hereof.

- (e) Death - Other than as may be set forth in the applicable Award Agreement and below, upon the death of a Participant, all Performance Share Units granted to the Participant which, prior to the Participant's death, have not vested, will immediately and automatically be forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever; *provided, however*, the Board may determine, in its sole discretion, the number of the Participant's Performance Share Units that will vest based on the extent to which the applicable Performance Criteria set forth in the Award Agreement have been satisfied in that portion of the Performance Cycle that has lapsed. The Performance Share Units that the Board determines to have vested shall become payable in accordance with Section 5.3(h) hereof.
- (f) Termination of a Participant's Relationship with the Company
- (i) Where a Participant's relationship with the Company is terminated by the Company or a Subsidiary for cause, all Performance Share Units granted to the Participant under this Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date.
- (ii) Where a Participant's relationship with the Company terminates by reason of termination by the Company or a Subsidiary without cause, by voluntary termination, voluntary resignation or due to Retirement by the Participant, all Performance Share Units granted to the Participant which have not vested will, unless the Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date, and the Participant shall have no right, title or interest therein whatsoever; *provided, however*, the Board may determine, in its sole discretion, the number of the Participant's Performance Share Units that will vest based on the extent to which the applicable Performance Criteria set forth in the Award Agreement have been satisfied in that portion of the Performance Cycle that has lapsed. The Performance Share Units that the Board determines to have vested shall become payable in accordance with Section 5.3(h) hereof.
- (iii) Upon termination of a Participant's relationship with the Company or a Subsidiary such that the Participant no longer qualifies as an Eligible Person, the Participant's eligibility to receive further grants of Awards of Performance Share Units under this Plan shall cease as of the Termination Date.
- (g) Disability - Where a Participant becomes afflicted by a Disability, all Performance Share Units granted to the Participant under this Plan will continue to vest in accordance with the terms of such Performance Share Units; *provided, however*, that no Performance Share Units may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to Disability such that the Participant ceases to be an Eligible Person, all Performance Share Units granted to the Participant under this Plan that have not vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date, and the Participant shall have no right, title or interest therein whatsoever; *provided, however*, that the Board may determine, in its sole discretion, the number of the Participant's Performance Share Units that will vest based on the extent to which the applicable Performance Criteria set forth in the Award Agreement have been satisfied in that portion of the Performance Cycle that has lapsed. The Performance Share Units that the Board determines to have vested shall become payable in accordance with Section 5.3(h) hereof.
- (h) Payment of Award - Payment to Participants in respect of vested Performance Share Units shall be made after the Determination Date for the applicable Award and in any case within ninety-five (95) days after the last day of the Performance Cycle to which such Award relates. The Company shall, at the sole discretion of the Board, either:

- (i) issue to the Participant, or if Section 5.3(e) applies, the Participant's estate, the number of Shares equal to the number of Performance Share Units credited to the Participant's Account that have vested on the Determination Date; or
- (ii) make a cash payment in an amount equal to the Market Unit Price on the next Trading Day after the Determination Date of the Performance Share Units credited to a Participant's Account that have vested, net of applicable withholdings.

As of the Vesting Date, the Performance Share Units in respect of which such Shares are issued or cash payment made shall be cancelled and no further payments shall be made to the Participant under this Plan in relation to such Performance Share Units.

5.4 Deferred Share Units

- (a) Eligibility and Participation - Subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant Awards of Deferred Share Units to Directors that do not perform Investor Relations Activities in lieu of Fees or to other Eligible Persons that do not perform Investor Relations Activities as compensation for employment or consulting services. Deferred Share Units granted to a Participant in accordance with Section 5.4 hereof shall be credited, as of the Grant Date, to the Participant's Account. The number of Deferred Share Units to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with this Plan. The number of Deferred Share Units shall be specified in the applicable Award Agreement.
- (b) Election - Each Director may elect to receive any or all of his or her Fees in Deferred Share Units under this Plan. Elections by Directors regarding the amount of their Fees that they wish to receive in Deferred Share Units shall be made no later than 90 days after this Plan is adopted by the Board, and thereafter no later than December 31 of any given year with respect to Fees for the following year. Any Director who becomes a Director during a calendar year and wishes to receive an amount of his or her Fees for the remainder of that year in Deferred Share Units must make his or her election within sixty (60) days of becoming a Director.
- (c) Calculation of Deferred Share Units Granted in Lieu of Fees - The number of Deferred Share Units to be credited to a Participant's Account where the Participant is a Director who has elected to receive Deferred Share Units in lieu of Fees shall be calculated by dividing the amount of Fees selected by a Director in the applicable Election Form by the Market Unit Price on the Grant Date (or such other price as required under Exchange policies) which shall be the 10th business day following each financial quarter end. If, as a result of the foregoing calculation, a Participant that is a Director shall become entitled to a fractional Deferred Share Unit, the Participant shall only be credited with a full number of Deferred Share Units (rounded down) and no payment or other adjustment will be made with respect to the fractional Deferred Share Unit.
- (d) Vesting - No Deferred Share Units may vest before the date that is one year following the date of the Award.
- (e) Payment of Award - Each Participant shall be entitled to receive, after the effective date that the Participant ceases to be an Eligible Person for any reason, on a day designated by the Participant and communicated to the Company by the Participant in writing at least fifteen (15) days prior to the designated day (or such earlier date after the Participant ceases to be an Eligible Person as the Participant and the Company may agree, which date shall be no later than one year after the date upon which the Participant ceases to be an Eligible Person) and if no such notice is given, then on the first anniversary of the effective date that the Participant ceases to be an Eligible Person, at the sole discretion of the Board, either:
 - (i) that number of Shares equal to the number of vested Deferred Share Units credited to the Participant's Account, such Shares to be issued from treasury of the Company (provided

that such issuance will not result in the number specified Section 4.1(b) being exceeded);
or

- (ii) a cash payment in an amount equal to the Market Unit Price on the next Trading Day after the Participant ceases to be an Eligible Person of the vested Deferred Share Units credited to a Participant's Account, net of applicable withholdings.
- (f) Exception - In the event that the value of a Deferred Share Unit would be determined with reference to a period commencing at a fiscal quarter-end of the Company and ending prior to the public disclosure of interim financial statements for the quarter (or annual financial statements in the case of the fourth quarter), the cash payment of the value of the Deferred Share Units will be made to the Participant with reference to the five (5) Trading Days immediately following the public disclosure of the interim financial statements for that quarter (or annual financial statements in the case of the fourth quarter).
- (g) Death - Upon death of a Participant holding Deferred Share Units that have vested, the Participant's estate shall be entitled to receive, within one hundred and twenty (120) days after the Participant's death and at the sole discretion of the Board, a cash payment or Shares that would have otherwise been payable in accordance with Section 5.4(d) hereof to the Participant upon such Participant ceasing to be an Eligible Person.

5.5 General Terms Applicable to Awards

- (a) Forfeiture Events - The Board will specify in an Award Agreement at the time of the Award that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events shall include, but shall not be limited to, termination of a relationship for cause, violation of material Company policies, fraud, breach of non-competition, confidentiality or other restrictive covenants that may apply to the Participant or other conduct by the Participant that is detrimental to the business or reputation of the Company.
- (b) Awards May be Granted Separately or Together - Awards may, in the discretion of the Board, be granted either alone or in addition to, in tandem with, or in substitution for any other Award. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards or awards.
- (c) Non-Transferability of Awards - No Award and no right under any such Award shall be assignable, alienable, saleable, or transferable by a Participant otherwise than by will or by the laws of descent and distribution and only then if permitted by the Policies of the Exchange. No Award and no right under any such Award, may be pledged, alienated, attached, or otherwise encumbered, and any purported pledge, alienation, attachment, or encumbrance thereof shall be void and unenforceable against the Company.
- (d) Conditions and Restrictions Upon Securities Subject to Awards - The Board may provide that the Shares issued under an Award shall be subject to such further agreements, restrictions, conditions or limitations as the Board in its sole discretion may specify, including without limitation, conditions on vesting or transferability and forfeiture or repurchase provisions or provisions on payment of taxes arising in connection with an Award. Without limiting the foregoing, such restrictions may address the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any Shares issued under an Award, including without limitation:
 - (i) restrictions under an insider trading policy or pursuant to applicable law;
 - (ii) restrictions designed to delay and/or coordinate the timing and manner of sales by the Participant; and

- (iii) restrictions as to the use of a specified brokerage firm for such resales or other transfers.
- (e) Blackout Periods – In the event that the date provided for expiration, redemption or settlement of an Award falls within a Blackout Period imposed by the Company pursuant to a trading policy as the result of the bona fide existence of undisclosed Material Information, the expiry date, redemption date or settlement date, as applicable, of the Award shall automatically be extended to the date that is ten (10) business days following the date of expiry of the Blackout Period. Notwithstanding the foregoing, there will be no extension of any Award if the Company (or the Participant) is subject to a cease trade order (or similar order under applicable law).
- (f) Share Certificates - All Shares delivered under this Plan pursuant to any Award shall be subject to such stop transfer orders and other restrictions as the Board may deem advisable under this Plan or the rules, regulations, and other requirements of any securities commission, the Exchange, and any applicable securities legislation, regulations, rules, policies or orders, and the Board may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.
- (g) Conformity to Plan - In the event that an Award is granted which does not conform in all particulars with the provisions of this Plan, or purports to grant an Award on terms different from those set out in this Plan, the Award shall not be in any way void or invalidated, but the Award shall be adjusted to become, in all respects, in conformity with this Plan.
- (h) Deductions - Whenever cash is to be paid in respect of Deferred Share Units, Restricted Share Units or Performance Share Units, the Company shall have the right to deduct from all cash payments made to a Participant any taxes required by law to be withheld with respect to such payments. Whenever Shares are to be delivered in respect of Deferred Share Units, Restricted Share Units or Performance Share Units, the Company shall have the right to deduct from any other amounts payable to the Participant any taxes required by law to be withheld with respect to such delivery of Shares, or if any payment due to the Participant is not sufficient to satisfy the withholding obligation, to require the Participant to remit to the Company in cash an amount sufficient to satisfy any taxes required by law to be withheld. No such amendment or alteration shall be made which would impair the rights of any Participant, without such Participant's consent, under any Award theretofore granted, provided that no such consent shall be required with respect to any amendment or alteration if the Board determines in its sole discretion that such amendment or alteration either:

- (b) is not reasonably likely to significantly diminish the benefits provided under such Award.

SECTION 7 GENERAL PROVISIONS

7.1 No Rights to Awards

No Person shall have any claim to be granted any Award under this Plan, or, having been selected to receive an Award under this Plan, to be selected to receive a future Award. There is no obligation for uniformity of treatment of Eligible Persons or Participants or beneficiaries of Awards under this Plan. The terms and conditions of Awards need not be the same with respect to each Participant. The Company and each Eligible Person qualifying for an Award are and shall be responsible for ensuring and confirming that each recipient of an Award is a bona fide Eligible Person that qualifies to receive the applicable Award.

7.2 Withholding

The Company shall be authorized to withhold any payment due under any Award or under this Plan until the Participant has paid or made arrangements for the payment of the amount of any withholding taxes due in respect of an Award, its exercise, or any payment under such Award or under this Plan.

7.3 No Right to Employment

The grant of an Award shall neither constitute an employment contract nor be construed as giving a Participant the right to be retained in the employ of the Company, or to any other relationship with the Company. Further, the Company may at any time dismiss a Participant, free from any liability, or any claim under this Plan, unless otherwise expressly provided in this Plan or in an applicable Award Agreement.

7.4 No Right as Shareholder

Neither the Participant nor any representatives of a Participant's estate shall have any rights whatsoever as shareholders in respect of any Shares covered by such Participant's Options, RSUs, PSUs and/or DSUs until the date of issuance of a share certificate to such Participant or representatives of a Participant's estate for such Shares.

If any provision of this Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction, or as to any Person or Award, or would disqualify this Plan or any Award under any law deemed applicable by the Board, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Board, materially altering the intent of this Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award, and the remainder of this Plan and any such Award shall remain in full force and effect.

7.7 No Trust or Fund Created

Neither this Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any unsecured creditor of the Company.

7.8 No Fractional Shares

No fractional Shares shall be issued or delivered pursuant to this Plan or any Award, and the Board shall determine whether cash, or other securities shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be cancelled, terminated, or otherwise eliminated.

The Company makes no representation or warranty as to the value of any Award granted pursuant to this Plan or as to the future value of any Shares issued pursuant to any Award.

7.11 No Representations or Covenant with Respect to Tax Qualification

The Company shall be unconstrained in its corporate activities without regard to the potential negative tax impact on holders of Awards under this Plan.

7.13 Compliance with Laws

The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, as well as the Policies of the Exchange as in effect from time-to-time, and to such approvals by any governmental agencies or stock exchanges on which the Company is listed as may be required. - (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable or at a time when any such registration or qualification is not current, has been suspended or otherwise has ceased to be effective.

The inability or impracticability of the Company to obtain or maintain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.
